Hi all,

Following up on Matt's heads up to make sure that DWPD has this and is involved to whatever extent you need. If there is anything that OCIR or I can do to assist, let us know. We will carve out a channel for your comments if you do not have one already.

I am assuming that the D-Team will inform Jennifer as needed (since this does not appear officially to be going through the OCIR channel that I am on; will let you know if that changes).

Regards,

Elizabeth

Hey Greg and Elizabeth,

I believe OCIR's cross-cutting team is taking the lead on this report, but just wanted to forward it directly because I'm not sure what their path forward is.

I think the OGWDW/DWPD/Prevention crew will be interested in this, though they may have already been super involved in helping draft the report so this might be super quick.

(If you've already gotten this and are on it, that's great! I'm interested in any comments we have, if we do have any.)

Thanks,,  
Matt

**Subject:** LRM: [JMB-117-23] Due 06/14/2021 Monday at 4:00 PM -- Council on Environmental Quality Oversight Testimony on Carbon Capture Utilization & Sequestration

**DEADLINE:** 4:00 PM Monday, Jun 14 2021 - FIRM

Attached is a draft report from the Council on Environmental Quality on Carbon Capture, Utilization, and Sequestration. This report was required by Section 969 of the Consolidated Appropriations Act of 2021 and is scheduled to be delivered to the Senate Environment and Public Works Committee and the House Energy and Commerce Committee, Natural

Resources Committee, and Transportation and Infrastructure Committee by June 25, 2021. This report was prepared in consultation with staff in the Departments of Agriculture, Energy, Interior, and Transportation, as well as the Environmental Protection Agency and Federal Permitting Improvement Steering Council.

By the deadline above, please provide your comments and edits. Note that this is a **FIRM** deadline. Extensions will not be granted.

Thank you.
